MY SWEETHEART BELONGS TO SOMEBODY ELSE
But My Dreams Belong To Me

A charming love song about the Dreamer, a story old but sounding new each time it is told; believing in that old theory "It is better to have loved and lost, than never to have loved at all." The music is typical of Dixon, having the unusual harmonic construction that makes it extremely interesting. It is one of those songs, the more you play it the better you like it, finding new and interesting features each time you play it.
